Abide With Me

Abide with me, fast falls the eventide
The darkness deepens – Lord, with me abide;
When other helpers fail and comforts flee,
Help of the helpless, O abide with me!

Swift to its close ebbs out life's little day;
Earth's joys grow dim, its glories pass away;
Change and decay in all around I see;
O thou, who changest not, abide with me!

I need thy presence every passing hour;
What but Thy grace can foil the tempter's power?
Who like Thyself my guide and stay can be?
Through cloud and sunshine,
O abide with me!

I fear no foe with Thee at hand to bless;
Ills have no weight and tears no bitterness;
Where is death's sting? Where, grave, thy victory?
I triumph still if Thou abide with me!

Under His Wings

Under His wings I am safely abiding;
Though the night deepens and tempests are wild,
Still I can trust Him, I know He will keep me;
He has redeemed me, and I am His child.

Under His wings, under His wings,
Who from His love can sever?
Under His wings my soul shall abide,
Safely abide forever.

Under His wings—what a refuge in sorrow!
How the heart yearningly turns to His rest!
Often when earth has no balm for my healing,
There I find comfort, and there I am blest.

Under His wings—oh, what precious enjoyment!
There will I hide till life's trials are o'er;
Sheltered, protected, no evil can harm me;
Resting in Jesus I'm safe evermore.
