In the Sweet By and By

There's a land that is fairer than day,
And by faith we can see it afar;
For the Father waits over the way
To prepare us a dwelling place there.
Refrain: In the sweet by and by,
We shall meet on that beautiful shore;
In the sweet by and by,
We shall meet on that beautiful shore.
We shall sing on that beautiful shore
The melodious songs of the blessed;
And our spirits shall sorrow no more,
Not a sigh for the blessing of rest.
To our bountiful Father above,
We will offer our tribute of praise
For the glorious gift of His love
And the blessings that hallow our days.

When The Roll Is Called Up Yonder

When the Trumpet of the Lord shall sound and time shall be no more,
And the morning breaks, eternal, bright and fair
When the saved of earth shall gather over on the other shore,
And the roll is called up yonder, I'll be there
Refrain: When the roll is called up yonder, when the roll is called up yonder,
When the roll is called up yonder, when the roll is called up yonder,
I'll be there
On that bright and cloudless morning when the dead in Christ shall rise,
And the glory of His resurrection share when His chosen ones shall gather
To their home beyond the skies, and the roll is called up yonder, I'll be there
Let us labor for the Master from the dawn till setting sun,
Let us talk of all His wondrous love and care then when all of life is over
And our work on earth is done and the roll is called up yonder, I'll be there.

Tribute from Tenson Scott

To Dingo the Ringo,
You and I fished a lot out in the small local wooden
boats in good weather and bad weather.
When God name were called sometimes by me
you just gave a smile and say Jah understand.

Rest In Peace Matthen, until Jesus come.

From your true friend Dagwood

**Tribute from your two
children Jillian and Martinez**

We wish life for you was different as we both
know that our father, daughter and son relationship
would have been closer.

Throughout the years eventhough we were
not raised by you we always knew you seeked to
know we were ok and that we were doing well.
We would like to say that we appreciate you as
if it wasn't for you playing a part in creating us
both we wouldn't be here today.

Lastly we would like to celebrate you and
praying that you are now resting in peace.
