### We Have An Anchor

1 Will your anchor hold in the storms of life,  
when the clouds unfold their wings of strife?  
When the strong tides lift, and the cables strain,  
will your anchor drift, or firm remain?

Refrain:

We have an anchor that keeps the soul  
steadfast and sure while the billows roll;  
fastened to the Rock which cannot move,  
grounded firm and deep in the Saviour's love!

2 Will your anchor hold in the straits of fear,  
when the breakers roar and the reef is near?  
While the surges rage, and the wild winds blow,  
shall the angry waves then your bark o'erflow?

3 Will your anchor hold in the floods of death,  
when the waters cold chill your latest breath?  
On the rising tide you can never fail,  
while your anchor holds within the veil. [Refrain]

4 Will your eyes behold through the morning light  
the city of gold and the harbour bright?  
Will you anchor safe by the heavenly shore,  
when life's storms are past for evermore?

### God On the Mountain

Life is easy, when you're up on the mountain  
And you've got peace of mind, like you've never known  
But things change, when you're down in the valley  
Don't lose faith, for you're never alone

For the God on the mountain, is still God in the valley  
When things go wrong, He'll make them right  
And the God of the good times, is still God in the bad times  
The God of the day is still God in the night

You talk of faith, when you're up on the mountain  
But talk comes so easy, when life's at it's best  
Now it's down in the valleys, of trials and temptations  
That's where your faith, is really put to the test

For the God on the mountain is still God in the valley  
When things go wrong, He'll make them right  
And the God of the good times, is still God in the bad times  
The God of the day, is still God in the night  
The God of the day, is still God in the night

### I'll Fly Away

Some bright morning when this life is over  
I'll fly away  
To that home on God's celestial shore  
I'll fly away

I'll fly away oh glory  
I'll fly away (in the morning)  
When I die hallelujah by and by  
I'll fly away

When the shadows of this life have gone  
I'll fly away  
Like a bird from these prison walls I'll fly  
I'll fly away

Just a few more weary days and then  
I'll fly away  
To a land where joys will never end  
I'll fly away

### Because He Lives

God sent His son, they called Him Jesus  
He came to love, heal and forgive;  
He bled and died to buy my pardon  
An empty grave is there to prove my Saviour lives.

Refrain: Because He lives; I can face tomorrow.  
Because He lives; All fear is gone  
Because I know, I know, He holds the future.  
And life is worth the living just because He lives.

How sweet to hold a newborn baby  
And feel the pride and joy He gives,  
But greater still that calm assurance  
This child can face uncertain days because He lives.

And then one day I'll cross that river  
I'll fight life's final war with pain,  
And then as death gives way to victory  
I'll see the lights of glory and I'll know He reigns.
