'We are gathered here today to celebrate the life of Fiona Natasha Chambers. Fiona passed away January 15th 2023 after a long battle with asthma which she struggled with for half her life. She was born on March 10th ,1980 in Grand Cayman to Gayle Russell and Martin Chambers. She spent her childhood and her young adult years growing up in "swamp" She eventually married her first love from high school Hank Bodden of 13 years where they then had four kids together, Joshua, Jhannaye, Janique and Jabez.

Fiona was a dedicated mother first and foremost. She treasured her children and embraced every moment with them. She played the role of a grandmother to Jezmae and Brooklyn her beautiful Granddaughters. Fiona loved to love people. Her contagious laugh, welcoming spirit and heart of gold always left a permanent effect on everyone. She had a vivacious personality and always made people around her laugh. She was a person who enjoyed exploring always tried to enjoy life to its fullest, she was definitely not a fixed person. She loved to explore new experiences in her work, her hobbies, her travels, her style, her art and in love. She enjoyed travelling, especially to Scotland, which she admired and spent a lot of time. Fiona was world-renowned for her lack of patience, not holding back her opinion and knack for telling it like it is. Everyone who knew her knew this. She also shared her love with singing Reggae and Soul Music by her Favorite Artist which are no other than Bob Marley and Adele.

Her life was a living example of the Bible verse, Ephesians 4:32 — "And be kind and compassionate to one another, forgiving one another, just as God also forgave you in Christ."

In 2006 whilst pregnant with her last child Jabez, Fiona Graduated with her associate in Paralegal Studies at the Chartered Institute for Legal Executives (CILEX) she then branched out from law and went into Marketing for several Company's.

Fiona often donated and spent quality time at the Maple House volunteering it was a very special place that was near & dear to her heart, by reading and caring for disabled Children and Adults as it suited her servant heart and brought her closer to her first son who passed away peacefully in 2011 who was also disabled.

In Lieu of flowers, the family asks that those who are able instead make a donation to the Maple House.
