Amazing Grace

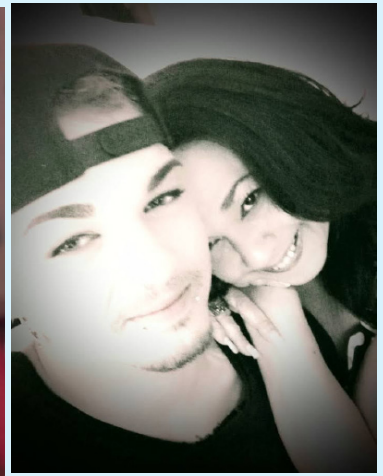

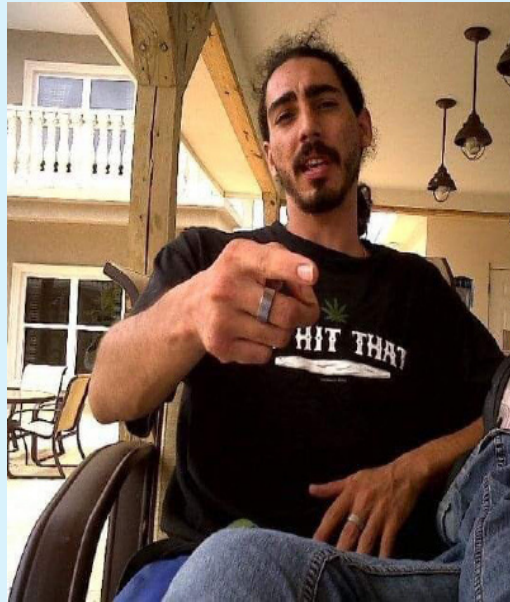

Amazing grace! How sweet the sound,
that saved a wretch like me!
I once was lost but now am found,
was blind but now I see.

Thro' many dangers, toils and snares,
I have already come,
'Tis grace hath brought me safe thus far
and grace will lead me home.

'Twas grace that taught my heart to fear,
and grace my fears relieved
How precious did that grace appear
the hour I first believed.

When we've been there ten thousand years,
bright shining as the sun,
We've no less days to sing God's praise
than when we'd first begun.
