*No grave can hold my body down.
We shall have a grand time in heaven.
When we all get together
I'm gonna walk those streets of glory.*

Benediction Pastor Kedroy Laing

There ain't no grave can hold my body down

There ain't no grave can hold my body down
There ain't no grave can hold my body down
When I hear that trumpet sound
I'm gonna rise right out of the ground
Ain't no grave can hold my body down
Well, look way down the river
What do you think I see?
I see a band of angels, and they're coming after me
Ain't no grave can hold my body down
There ain't no grave can hold my body down
Well, look down yonder, Gabriel
Put your feet on the land and sea
But Gabriel, don't you blow your trumpet 'til you hear it
from me
There ain't no grave can hold my body down
Ain't no grave can hold my body down
Well, meet me, Jesus, meet me
Meet me in the middle of the air
And if these wings don't fail me
I will meet you anywhere
Ain't no grave can hold my body down
There ain't no grave can hold my body down
Well, meet me, mother and father
Meet me down the river road
And mamma you know that I'll be there
When I check in my load
Ain't no grave can hold my body down
There aint no grave can hold my body down
There ain't no grave can hold my body down

We shall have a grand time Up in heaven

We Shall Have A Grand Time
We shall have a grand time
Up in heaven
We shall have a grand time up in heaven
Have a grand time
Walking with the angels,
Singing glory, alleluia!
We shall have a grand time
Up in Heaven
Have a grand time.

When we all get together with the Lord

Now when the rich and the poor get together with the Lord
Get together, get together with the Lord
They'll treat each other like sister and brother
When they all get together with the Lord

Now when we all get together
When we all get together with the Lord
They'll treat each other like sister and borther
When they all get together with the Lord

Now when the weak and the strong get together with the Lord
Get together, get together with the Lord
The weak are no longer, afraid of the stronger
When they all they all get together with the Lord

Now when we all get together
When we all get together with the Lord
The weak are no longer afraid of the stronger
When we all get together with the Lord

Now when the tall and the small get together with the Lord
Get together, get together with the Lord
They'll soon realize they're all the same size
When they all get together with the Lord

Now when we all get together
When we all get together with the Lord
They'll soon realize they're all the same size
When we all get together with the Lord

I'm Gonna To Walk Those Streets Of Glory

I'm Gonna To Walk Those Streets Of Glory
I'm gonna walk those streets of glory by and by
I'm gonna walk those streets of glory by and by
I'm gonna walk those streets of glory
I'm gonna sing redemption story
I'm gonna walk those streets of glory by and by.
