In the Sweet By and By

There's a land that is fairer than day,
And by faith we can see it afar;
For the Father waits over the way
To prepare us a dwelling place there.

Refrain: In the sweet by and by,
We shall meet on that beautiful shore;
In the sweet by and by,

We shall meet on that beautiful shore.
We shall sing on that beautiful shore
The melodious songs of the blessed;
And our spirits shall sorrow no more,

Not a sigh for the blessing of rest.
To our bountiful Father above,
We will offer our tribute of praise
For the glorious gift of His love
And the blessings that hallow our days.

Amazing Grace

Amazing grace! How sweet the sound,
that saved a wretch like me!
I once was lost but now am found,
was blind but now I see.

'Twas grace that taught my heart to fear,
and grace my fears relieved
How precious did that grace appear
the hour I first believed.

Thro' many dangers, toils and snares,
I have already come,
'Tis grace hath brought me safe thus far
and grace will lead me home.

When we've been there ten thousand years,
bright shining as the sun,
We've no less days to sing God's praise
than when we'd first begun.
