From her three children

Dear Mother,

We can explain the way we felt growing up without you, playing the cards we were dealt.
There were always many more things we wanted to say, we dream new thoughts that came each day.
We wish we could take back some skeptical things we said. To be more respectful, listen, be positive instead.
At times we felt that you were never listening to the words that we would say.
So we would get angry and react in the wrong way.
We understand that it took some time for us to change our ways.
We prayed for this each night and even some days.
Although you'd never see the true feelings we hide. We love you very much deep down inside.
Always our mother, and never our friend so you could not see the angry little children that lay within us.
Notice how we changed each and every day we grown to follow your footsteps, but in a different way.
Although we quite unsure of where the road might lead, if you stay by our sides, we promise to take heed.
We are your children and we love you dearly.
Thanks for all you've done mom truly and sincerely.
To us you're very special like no other, loving, caring and concerned, our dear mother.

From Daughter Densie Clarke

Mommy Dearest

Mommy dearest you will always be
My mother so loving and so loved by me
For God has taken you to be by his side
Now in heaven is where you will reside

You have blessed my life in so many ways
I will cherish our memories until the end of my days
You left me too soon and this was not part of our plan
But God's wishes always come before those of man
Without you I must travel the path alone
No longer my guide, the way you had shown

Your heart may have been weak, but you were very strong
For your loving embrace I will always long.

God sent you to me as a special gift from above
To teach me life lessons and shower me with your love
I will always remember your beautiful and smiling face
In my heart you will always have a very special place
I love you mommy dearest
