I Would Walk with Him

85 S. L. L. L.

I would daily walk with Jesus,
Pass the crowds along life's way;
And on quiet roads of travel,
Walk with him at close of day.
I would feel his presence near me;
Ever guided by his hand.
We would journey thus together,
On the road to glory land.

I would learn, in sweet communion,
All the lessons he would teach,
Of the ways to be of service,
And the wayward hearts to reach.
I would know the joy of living,
Heights of ecstasy I'd climb;
Here to know and walk with Jesus,
Brings to earth a joy sublime.

I would know the deeper secret,
Life is but a training school,
Those who win the goal so cherished
Must be mindful of a rule.
Jesus Christ must be our portion,
Leader, Guide, our Saviour, Friend.
Those who follow in his footsteps
Will find heaven their journey's end.

—God's Revivalist.

Exit Song Prologue – “People Like YOU ” by Gramps Morgan

When We All Get To Heaven

Sing the wondrous love of Jesus, Sing His mercy and His grace
In the mansions bright and blessed, He'll prepare for us a place.

Refrain: When we all get to Heaven, What a day of rejoicing that will be
When we all see Jesus, We'll sing and shout the victory!

While we walk the pilgrim pathway, clouds will over-spread the sky
But when traveling days are over, not a shadow, not a sigh.

Let us then be true and faithful, trusting, serving every day
Just one glimpse of Him in glory, will the toils of life repay.

Onward to the prize before us! Soon His beauty we'll behold;
Soon the pearly gates will open; We shall tread the streets of gold.

Let Me Go !

When I come to end of the road
And the Sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?

Miss me a little, but not for long
And not with your head bowed low
Remember the Love that once we shared
Miss me, but let me go.

For this is a journey we all must take
And each must go alone
Its all part of the master plan
A step on the road to Home

When you are lonely and sick at heart
Go to the friends We know
Laugh at the things we used to do
Miss me but let me go ...
